Pledge to the Texas Flag

Honor the Texas flag; I pledge allegiance to thee, Texas, one state under God, one and indivisible.

TEEA Creed

We believe in the sanctity of the home. We believe in the home as the place where love, faith, trust and devotion must be lived everyday, where obedience and reverence grow and where God is known. We believe those within its walls should be taught to work, to play and to have compassion for those less fortunate. We believe in sharing responsibilities and that from the fireside will come the citizens who will uphold the best ways of life.

TEEA Prayer

Grant to us dear Lord, Thy Devine guidance in our plans today, that our accomplishments of tomorrow will be pleasing to Thee. Amen

New Members

What Do TEEA Members Do?

Participate in monthly club meetings; enjoy fun and fellowship while they learn.

Caring for any necessary business at monthly meetings, an educational program is presented by the Extension Agent, a trained leader or guest speaker. Topics include anything the group wants to learn about.

Become trained leaders through workshops and educational opportunities offered at the county, state and even the national level. The County Extension Agent regularly conducts a leader training@ for club members, who in turn, present the lesson to their respective club members.

Attend District, State, National and International Conferences where they meet people from other locales with a common interest in strengthening families. Workshops and educational seminars are presented at these events.

Support Extension Educational Programs. Some club members have joined other educational projects such as Master Gardeners, Master Naturalist, Master Clothing Volunteers and Master Money Management Volunteers. They use this additional training to become community educators.

Club members also support 4-H, the youth development program of Extension. Club members may lead project groups or serve as judges for contests. Extension Education Clubs provide scholarships for 4-H members: 12 at the state level, one at the district level, and one in the county.

Community Service. Extension Education Club members are interested in improving the life of all families in the community. Clubs and individuals have their own favorite projects.

Do You *Just* Belong?

Are you an active member
The kind that you would be missed?
Or are you just contented
That your name is on the list?

Do you attend the meetings and
Mingle with the flock?
Or do you just stay at home
To criticize and knock?

Do you take an active part
To help the work along?
Or are you satisfied
To only just belong?

Do you work with your committee
And get right in and mix?
Or leave the work to just a few
And talk about the "CLIQUEES"?

Think this over MEMBER
You know right from wrong!
Are you an active member
Or DO YOU JUST BELONG?

Year Epilogue

*We place this yearbook in your hand,
Its fate now lies with you.*

*Success, not failure is assured,
If you, your part will do.*

*Share the burdens as well as pleasures,
And see if it is not true.*

*That if you give to your club the best you have,
The best will come back to you.*
