

Eastland County 4-H Project Form

Project forms can be completed for any 4-H project that a member participates in during the current 4-H year (August – July).

For recognition, one project form **MUST** be completed for each project.

Members who complete and turn in a project form will receive a certificate and pin for that project at the 4-H Awards Banquet.

There is no limit on the number of project forms a member can complete and turn in.

Clover Kids may complete project forms and receive recognition as well.

Project Forms will consist of three main questions:

1. What were your goals for this project?
2. How did you accomplish these goals?
3. What did you learn completing this project?
